

THE  
VITILIGO  
GODDESS

A/W 20/21

MARY ANN

Telling the world about your skin can be hard- often,  
you're letting people see the most vulnerable side of  
you. But telling your story is important too.

THE VITILIGO GODDESS A/W 2021 collection will  
take you through the emotions I had gone through  
during a skin condition I've been having since I was 5  
years of age, called vitiligo which is caused when  
pigment-producing cells die or stop functioning.

Vitiligo has kind of opened my eyes, teaching me not  
to judge a book by its cover.

The emotions have been embedded into the design  
though different textures, material and color.
